NAVRACHANA HIGHER SECONDARY SCHOOL CBSE Class XII Commerce 93.2% CBSE Class X 92% Vadodara, Gujarat	2017-2021
● Entrepreneurship 96/100 Economics 95/100 Business Studies 95/100 Accountancy 89/100 English 91/100 ● Rotary Youth Exchange — Lycée Lavoisier, Mulhouse, France: studied every subject in French GPA 14.2/20 vs 11.9	Vadodara

Experience

KPMG INDIA Analyst — Internal Audit, Governance Risk & Compliance Services (manufacturing, medical and IT clients)	Jun'24-Jun'25
Reviewed how client companies ran their money and operating processes, then turned findings into fixes for management	Pune
Process Optimisation, Internal Controls & SOP Review Root Cause Analysis Across 8 Business Processes and 3 Sectors	
● Reviewed 100+ financial and process controls across 8 business processes for a ₹506 Cr pump maker, on site alone ● Found 9 gaps in approvals, system access and stock checks, then recommended SOP and control fixes worth crores ● Spotted 50+ tons of unrecorded scrap, staff holding SAP access they should not have had, and asset values 6 years stale ● Flagged e-waste, health and safety rule breaches at a ₹5,060 Cr IT company, helping it avoid a regulatory penalty	
Stakeholder Communication & Reporting KPI Tracking, Proposal Decks and Management Action Plans for CXOs	
● Built 50+ reports and proposal decks for CXOs, turning audit findings into clear risks, owners, KPIs and next actions ● Interviewed process owners across manufacturing, medical and IT clients to agree fixes and track them to closure	
RACHANA PRODUCTS Management Trainee — Operations & Business Transformation (chemicals manufacturer)	Jun'25-Dec'25
Cost Control, Root Cause Analysis & Process Redesign Founder-Facing Execution at a Manufacturing Plant, Vadodara	Vadodara
● Saved ₹20L a month by uncovering a raw-material theft ring, restructuring factory management and adding stock checks ● Traced high labour cost to manual filling and an attendance-linked pay system that rewarded hours on site over output ● Studied powder flow and density to propose an automatic filling machine; compared 3 vendors on cost and payback	

Internships

PRAXYS PROJECT ENGINEERS LIMITED Finance & Project Assistant (proposed eco-industrial township near Pune)	Mar'23-May'23
● Built a 9-year cash-flow model for a proposed eco-industrial township to test whether the project would pay back ● Turned the model into 4 investor decks and presented the case to PMRDA, KIT and IURC government stakeholders ● Pulled assumptions from the finance and design teams and from Shalimar Investments into a single project view	Pune
CAIROS CONSULTING Research & Development Head (early-stage artificial intelligence consulting startup, Pune)	Feb'23-Apr'23
● Researched 50+ AI and SaaS tools, sorted them by business use case and shortlisted the ones worth selling to clients ● Turned the shortlist into B2B marketing and finance service offerings that the startup pitched to its own client base	Pune
CNK JBMS & ASSOCIATES Internal Audit Assistant (Dana TM4, Dana India and ITC Pune manufacturing plant audits)	May'23-Jul'23
● Checked stock, payroll, sales and billing cycles at 3 plants on a zero-error count; rated 39/40 on the engagement ● Documented SOPs, walkthroughs, evidence trails and control gaps in SAP, Tally Prime and Excel for the audit file ● Interviewed department heads and ran closing meetings with senior management to agree fixes and follow-up actions	Pune / Chakan

Projects

● U MUMBA B2B REVENUE ARCHITECTURE MU Live Project: 3-phase plan across 8 use cases and 4 budget pools ● ZERODHA MONETISATION PIVOT MU Consulting Case: scenario-backed revenue redesign with trust trade-offs ● INKTROVE Freelance: turned 35+ SMB pitches into a WhatsApp Business flow, earning ₹7,000 from client Netriks ● WELL WET Entrepreneurship prototype: costing, capital structure and financial plan built end-to-end; graded A ● RELIANCE M&A ANALYSIS Compared 4 deals across petroleum, media, retail and search on rationale; graded A	2021-2026
	Gurugram / Pune
